Mr. Edward Maznio  
PurTone Hearing Centers, LLC  
6610 N. 93rd Ave, Suite 1054  
Glendale, AZ 85305

Dear Mr. Maznio:

Thank you for PurTone Hearing Centers' recent gift of \$5,000.00 to Phoenix Children's Hospital's Audiology program. With donations like yours, we will be able to provide vital services with use of equipment like the Audioscan Verifit. This tool assists the audiologists in the calibration of hearing aids creating more precise measurements, thus enabling a hearing aid to be calibrated to the pitches and sounds they are most accustomed to. A hearing aid that fits correctly will assist children with their learning of speech.

Without the kind contributions and support of caring people like you, we could not provide the vital staff, equipment, and programs of the Audiology department at Phoenix Children's Hospital. I want to express to you my personal gratitude for your gift.

I hope it gives you great satisfaction to know that these funds will greatly impact the kids we treat. It is on behalf of these children and their families that I again extend to you my sincere thanks.

Sincerely,

Steven S. Schnall  
Vice President, Foundation  
sschnall@phoenixchildrens.com

*Thank you  
for your  
support* Generous

P.S. Under new federal tax laws, the IRS requires that we provide you with a written acknowledgement of single transaction gifts of \$250 or more, in order that you may claim an income-tax charitable deduction. This letter serves as that acknowledgement, and also acknowledges that Phoenix Children's Hospital did not provide any goods or services in exchange for your donation.
